EMPLOYMENT OPPORTUNITIES

Week of November 27, 2017

It is important that your application show all the relevant education and experience that you possess. **Work experience must be shown for the last 15 years. Your application should show your present and most recent job first. All relevant job experience should be listed on your application, even if it extends past 15 years. Use a separate block for each job title (even those with the same employer).** A resume may be attached, but is not a substitute for completing the work experience section of the application. Failure to submit a completed application, including the supplemental questionnaire may eliminate you from the recruitment process. **This is not a downloadable application; it must be completed and submitted online.**

REMEMBER: The hiring department is looking for the best candidate, and your application materials are considered to be a reflection of your professionalism and use of business etiquette. Correct any typos or misspellings, and always use proper grammar and punctuation.

PLEASE NOTE: Once you submit an online application, you will get a message that thanks you for applying. You will also receive a confirmation via email. If you do not receive this email, we DID NOT receive your application. You can apply online at <https://www.governmentjobs.com/careers/kingscounty>.

If you have any questions, please feel free to contact Human Resources at (559) 852-2510.
