  - ✓ Official High School Diploma or equivalent
  - ✓ Social Security card or proof of application

  - ✓ \$425 Credit/Debit card or program voucher

### Students with Convictions

Students with convictions need to be advised that the CA Dept. of Public Health evaluates criminal convictions of any offense and either grants or denies criminal record clearance. Due to their processing times, the student may complete the class, and pass the state competency examination and still not obtain a background clearance thereby not becoming certified as a nurse assistant.

### Class selection by LOTTERY

Class enrollment is by a lottery selection process. We choose 15-17 students per lottery for the upcoming class. If you are not selected, we keep your lottery ticket and add it to the next lottery so you'll have 2 tickets instead of 1 at the next lottery to increase your chance of enrollment selection.
