1. Have all community college districts, school districts, or county offices of education, or any joint powers authority consisting of community college districts, school districts, county offices of education, or a combination of these, located within the boundaries of the adult education region been allowed to join the consortium as a member?

In accordance with CAEP policy and education code, all eligible organizations within the boundaries of the region have been allowed to join the Sequoias Adult Education Consortium (SAEC) as members. The Consortium is comprised of the following members: Alpaugh Unified School District, Corcoran Unified School District, Cutler-Orosi Joint Unified School District, Exeter Unified School District, Farmersville Unified School District, Lindsay Unified School District, Hanford Joint Union High School District, Tulare Joint Union High

School District, Visalia Unified School District, Woodlake Unified School District, and Sequoias Community College District.

Furthermore, all agencies participating in the Sequoias Adult Education Consortium as a member, have agreed to the current year SAEC Memorandum of Understanding (MOU) and their governing board has taken action to approve the current year SAEC MOU. The SAEC Consortium Report on Governance and Compliance of Rules and Procedures (this document) and the SAEC MOU serve, together as the governing policy of SAEC. These two documents, together, define the governance rules and procedures of the consortium.

There are several small districts that at one time offered Adult Education programs, but due to decreases in funding, were eliminated. This left geographic gaps in the offerings of Adult Education. To address this gap in service provision, MEMBER districts without adult schools (BENEFICIARY MEMBER) will contract with MEMBER districts that have adult schools (PROVIDER MEMBER) to provide courses at school sites such as elementary, middle, and high schools for the adults in the BENEFICIARY MEMBER's community. This strategy leverages existing resources such as the administrative capacity of existing Adult Education programs and trained teachers from existing programs. Also, resources (e.g. classroom space, meeting space, computers, internet access, locally controlled funds, and support staff, other services such as after school programs that could provide childcare) that BENEFICIARY MEMBER districts without adult schools have to offer will be leveraged to support the provision of Adult Education. Furthermore, PROVIDER MEMBERS with adult schools agree to guarantee a portion of their CAEP allocation and related portion of their WIOA Title II: AEFLA grant funds (supplemental funding and to be determined in accordance with WIOA Title II: AEFLA funding award timelines) to service delivery on behalf of the BENEFICIARY MEMBER(S).

2. Have all members committed to reporting any funds available to that member for the purposes of education and workforce services for adults and the uses of those funds? How will the available funds be reported and evaluated?

In accordance with CA education code, all eligible organizations within the boundaries of the region have been allowed to join the Sequoias Adult Education Consortium (SAEC) as members. The Consortium is comprised of the following members: Alpaugh Unified School District, Corcoran Unified School District, Cutler-Orosi Joint Unified School District, Exeter Unified School District, Farmersville Unified School District, Lindsay Unified School District, Hanford Joint Union High School District, Tulare Joint Union High School District, Visalia Unified School District, Woodlake Unified School District, and Sequoias Community College District. All members have committed to reporting any funds available to that member for the purpose of education and workforce services for adults and the uses of those funds. Members annually declare fund availability and use to the SAEC Board.

3. How will you assure that each member of the consortium is represented only by an official designated by the governing board of the member?

The Consortium shall keep track of the date its members were officially designated by their local Boards of

Education and keep copies of the local board minutes as evidence, which will be archived. If an official designation is a Consent Item that is voted on, a copy of the Board Agenda that shows the designation as a Consent Item, as well as the minutes, will be provided and kept on file by SAEC. Each member must have one official-designated member. The officially designated member representative will represent the interests of the member agency and vote in SAEC Board decisions on behalf of the member agency. SAEC Board meeting attendance and vote participation of the official designee will be recorded and archived by SAEC. Alternate or proxy designees may not be assigned.

4. How will you assure that all members of the consortium shall participate in any decision made by the consortium?

The Consortium recognizes the benefits from full and active participation by all members in the decision-making process and implementation of SAEC Plans. Therefore, a calendar of meetings and each meeting agenda will be sent to members in advance. Agendas will be posted on the Consortium website. Email notification and reminders will be sent to all members. Minutes from meetings will be distributed to members and posted to the Consortium website. Agencies participating in the SAEC have agreed to act in accordance with applicable law, the SAEC Annual Plans, and SAEC Three Year Plan. SAEC Members participate annually in shared, or peer-to-peer monitoring for member effectiveness, adherence to SAEC Plans, and CAEP performance measured outcomes.

5. What will be the relative voting power of each member?

e.g. 1 member = 1 vote

e.g. 1 institution = 1 vote (thus giving districts with multiple institutions multiple votes)

e.g. Other (e.g., votes proportionate to adult students served)

Each member Board of Education will designate a voting representative to the Consortium Board and ensure attendance at and participation at regular Consortium meetings. Each member district with fewer than 5,000 students will be allowed one vote. Each member district with more than 5,000 students will be allowed 2 votes. A simple majority of members present constitutes a quorum. All issues to be voted on shall be decided by a simple majority of those present at the meeting in which the vote takes place.

6. How will decisions be approved?

e.g. by majority vote of 51%, or 50% +1 vote, or $\frac{2}{3}$ of votes

e.g. by consensus

All Consortium meetings shall be conducted in accordance with the SAEC Governance policies and all applicable laws. A simple majority of members of the Consortium constitutes a quorum. A simple majority will be needed for the passage of any motion. The vote of each official-designated member shall be recorded as cast. A roll call vote shall be taken in the event of a split vote on any decision. The names of the members

making and seconding each motion shall be recorded in the Consortium minutes.

7. How did you arrive at that decision-making model?

SAEC decisions have been arrived at by those processes described in this governance document. The decision-making model described above was used to choose the model.

8. How will proposed decisions be considered in open, properly noticed public meetings of the consortium at which members of the public may comment?

The Consortium encourages all interested persons to attend monthly meetings and to address the Consortium concerning any item on the agenda or within the Consortium's jurisdiction.

The SAEC Board will act in accordance with the Brown Act of 1953 as contained in section 54950 et seq. of the California Government Code.

The following rules are intended to facilitate a presentation to the Consortium:

A. For matters not listed on the agenda:

- I. Any individual who wishes to address the Consortium on any item of interest to the public that is within the subject matter jurisdiction of the Consortium and not listed on the agenda may do so under the item on the agenda entitled "Public Comments."
- II. Without taking action, Consortium members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda.
- III. In keeping with its right to determine the length of time to be allotted to agenda items, the Consortium has determined that the overall time to be allowed for the agenda item entitled "Public Comments" shall not exceed three (3) minutes per person, and a total time of 20 minutes, unless there are extenuating circumstances, in which case the Consortium may extend the overall time limit.

B. For matters listed on the agenda: a person who wishes to address the Consortium may do so by completing a brief form (including name, address, and agenda item). Upon recognition, the person should state his or her name and may address the Consortium. The order of public comments on the agenda item will be determined by the order received.

C. Individuals shall be allowed up to three (3) minutes to address the Consortium on each agenda item or during the general public comments, unless there are extenuating circumstances, in which case the Consortium may extend the time limit for individual remarks.

9. Describe how will you provide the public with adequate notice of a proposed decision and consider any comments submitted by members of the public?

The Sequoias Adult Education Consortium recognizes the benefits that are derived when input from the public is included as part of a transparent decision-making process, and will act in accordance with the Brown Act of 1953 as contained in section 54950 et seq. of the California Government Code. The Members will include the public in Consortium activities and programs whenever appropriate. The Consortium will provide the public with adequate notice of a proposed decision and consider any comments submitted by members of the public. Monthly meetings will include a designated time for public comment. Agendas will be posted on the Consortium website, and emailed in advance to Consortium members and partners. Consortium members are encouraged to post the agendas at their individual web sites.

10. Describe how comments submitted by members of the public will be distributed publicly.

A summary of comments submitted by members of the public will be recorded in the meeting minutes and distributed publicly on the Consortium website.

11. Describe the process by which the consortium will solicit and consider comments and input regarding a proposed decision from other entities located in the adult education region that provide education and workforce services for adults. Such entities will include but not necessarily be limited to, local public agencies, departments, and offices, particularly those with responsibility for local public safety and social services; workforce investment boards; libraries; and community-based organizations.

Community partners and other entities are invited and encouraged to participate in all Consortium meetings. SAEC's founding partners include Tulare County Workforce Investment Board, Tulare County Library, Tulare County Department of Health and Human Services, C-SET, Proteus, ABLE Industries, Kings County Department of Health and Human Services, Kings County Workforce Investment Board.

12. How will you determine approval of a distribution schedule pursuant to Section 84913?

Fiscal Decision Making, Voting: The Sequoias Adult Education Consortium will annually approve the distribution schedule pursuant to Section 84913 with a simple majority vote. In accordance with the SAEC Governance policies, a simple majority vote will be needed for the passage of any motion. The vote(s) of each official designated member shall be recorded as cast. A roll call vote shall only be taken in the event of a split vote on any decision. The names of the members making and seconding each motion shall be recorded in the Consortium minutes. The distribution schedule will follow the funding priorities as specified in the SAEC Comprehensive Regional Plan ("3 Year Plan") and applicable law.

Pursuant to CA Education Code 84914, the SAEC Board shall approve annually a distribution schedule that includes the following:

- A. The amount of funds to be distributed to each member of the consortium for that fiscal year.
- B. A narrative justifying how the planned allocations are consistent with the adult education plan.
- C. Previous Year Allocation Basis: For any fiscal year for which the chancellor and the Superintendent allocate an amount of funds to the consortium equal to or greater than the amount allocated in the prior fiscal year, the amount of funds to be distributed to a member of that consortium shall be equal to or greater than the amount distributed in the prior fiscal year, unless the consortium makes at least one of the following findings related to the member for which the distribution would be reduced:
 - 1. The member no longer wishes to provide services consistent with the adult education plan.
 - 2. The member cannot provide services that address the needs identified in the adult education plan.
 - 3. The member has been consistently ineffective in providing services that address the needs identified in the adult education plan and reasonable interventions have not resulted in improvements
- D. COLA: For any year for which the chancellor and the Superintendent allocate an amount of funds, to include an increase of funds, as determined by a Cost-of-Living Adjustment (COLA) as determined in the Governor's Final Budget, to the consortium more than the amount allocated in the prior year, the amount of funds to be distributed to a member of that consortium may be increased by a percentage equal to the percentage by which the total amount of funds allocated to the consortium increased. Increases in allocation to the consortium due to COLA shall be allocated to consortium members at the same percentage of increase as the percentage increase to the consortium. For example, a 4% increase in consortium allocation may result in each funded member receiving a 4% increase in member allocation. COLA shall be calculated as an ongoing percentage increase and not a lump sum payment. Member allocation increases caused by COLA shall be ongoing and considered part of a member's base fund allocation subject to CA Education Code 84914. Any member may self elect to forgo receipt of COLA or a portion of their funding.
- E. Decreased Consortium Allocation: For any year for which the chancellor and the Superintendent allocate an amount of funds to the consortium less than the amount allocated in the prior year, the amount of funds to be distributed to a member of that consortium shall not be reduced by a percentage greater than the percentage by which the total amount of funds allocated to the consortium decreased, unless the consortium makes at least one of the following findings related to the member for which the distribution would be reduced further:
 - 1. The member no longer wishes to provide services consistent with the adult education plan.
 - 2. The member cannot provide services that address the needs identified in the adult education plan.
 - 3. The member has been ineffective in providing services that address the needs identified in the adult education plan and reasonable interventions have not resulted in improvements.
- F. Above-base Funding, non-COLA: For any year for which the chancellor and Superintendent

allocate an amount of funds to the consortium greater than the amount allocated in the prior year and the increased amount is not a net result increase of a COLA, then those funds shall be subject to an above-base increase to the consortium's allocation. Above-base allocation shall be allocated to members at the discretion of the SAEC Board and pursuant to the SAEC Above-base Fund Allocation process described below.

1. Above-base funds shall be awarded to members.
2. Above-base funds shall be awarded based a number of criteria:
 - i. Above-base fund allocations will be included with a member's annual allocation as described in the Consortium Fiscal Administration Declaration (CFAD).
 - ii. Increases to consortium allocation as a result of COLA are not above-base funds and not subject to the above-base fund criteria.
 - iii. Any other fund resources beyond CAEP funds received by the consortium, or a member, are not above-base funds and not subject to the above-base fund criteria.
 - iv. Above-base funds may be used for ongoing expenditures if the increase to consortium allocation will also be ongoing. If the increase to consortium allocation is a one-time increase in the form of an above-base fund increase, then the member may only receive a one-time above-base allocation increase.
 - v. Above-base funds shall be used to implement strategies in one or more CAEP program areas and to address one or more CAEP objectives: identify and fill gaps, provide professional development, transition students, and accelerate student transitions.
 - vi. Strategies which utilize above-base funds must demonstrate alignment with the SAEC Three Year Plan, SAEC Annual Plan, and the corresponding member's annual plan.
 - vii. Above-base funds will be awarded on the basis that they will be used to implement a specific strategy. If the member fails to implement the strategy effectively, or decides not to implement the strategy, or decides that they can no longer implement the strategy, the increase in that member's allocation as a result of receiving an above-base fund increase will end and the member's annual allocation will return to an amount minus those above-base increases. This will also apply to any COLA increases to those above-base funds over time. Those funds will be subject to redistribution amongst SAEC members for other above-base strategy implementation. Any member who accepts an above-base allocation agrees to this upon acceptance of such an allocation increase.
 - viii. Above-base fund allocations will be prioritized by the SAEC Leadership Committee, with input from the SAEC Executive Director, and recommended to the SAEC Board for a final fund allocation decision.
 - ix. The SAEC Leadership Committee will use a rubric for ranking above-base funding resource requests. The rubric criteria shall be:

1. the funding request is linked to the SAEC Three Year Plan through its associated actions,
 2. the request clearly describes how the strategy will address a community of need and the actions of the strategy will have a positive effect on that community,
 3. data supports the rationale for the strategy and resource request,
 4. the request demonstrates potential to realize appropriate and attainable CAEP Program outcomes through clear action steps
 5. the request application is complete and follows the prescribed process for application
- x. Member process for requesting above-base fund increases to their annual allocation:
1. The member will submit an application for above-base funds. At a minimum, the application must include:
 - a. a title of the strategy,
 - b. the above-base fund amount requested,
 - c. a description of the target population and how the strategy will address their needs,
 - d. identification of activities and measurable goals to address community needs & improve student outcomes
 - e. as applicable, at least one of the following:
 - i. a description of activities to improve integration of services among and including, but not limited to alignment of intake / placement for adults seeking education and workforce services, program mapping, and alignment of curriculum and standards
 - ii. a description of activities to improve transitions into postsecondary education and the workforce
 - iii. a description of approaches to prototype new strategies and evaluate their effectiveness
 - f. a description of how data be used to evaluate progress and measure effectiveness,
 - g. a description of other funds (if any) in addition to the requested above-base funds to be leveraged on the strategy,
 - h. a completed Logic Model which describes the strategy goal, the problems sought to address, inputs, activities, outputs, immediate (short-term) outcomes, intermediate outcomes, long-term outcomes/impacts and describes assumptions and external factors.
 - i. a list of progress indicators (at least 1, no more than 5) in the form of SMART (Specific, Measurable, Attainable, Realistic, and Time-bound) objectives by which the member and consortium will assess progress and impact during the

implementation of the strategy. These objectives should map directly to the Logic Model activities, outputs, and/or outcomes.

- xi. Above-base fund allocations are revocable by majority consortium vote.
- xii. Above-base fund expenditures must comply with state law and the CAEP program assurances and allowable expenditures.

G. Carry-Over:

In accordance with Sections 84901 and 84914, Sequoias Adult Education Consortium shall follow state law and policies in its treatment of carry-over from one fiscal year to the next as follows:

- (a) As a condition of receipt of an apportionment from the program, a consortium shall approve a distribution schedule that includes both of the following:
 - (1) The amount of funds to be distributed to each member of the consortium for that fiscal year.
 - (2) A narrative justifying how the planned allocations are consistent with the adult education plan.
- (b) (1) For any fiscal year for which the chancellor and the Superintendent allocate an amount of funds to the consortium greater than the amount allocated in the prior fiscal year, the amount of funds to be distributed to a member of that consortium shall be equal to or greater than the amount distributed in the prior fiscal year, unless the consortium makes at least one of the following findings related to the member for which the distribution would be reduced:
 - (A) The member no longer wishes to provide services consistent with the adult education plan.
 - (B) The member cannot provide services that address the needs identified in the adult education plan.
 - (C) The member has been consistently ineffective in providing services that address the needs identified in the adult education plan, including having excessive (more than 20%) carryover for at least two consecutive fiscal years beginning with the 2022–23 fiscal year, and each fiscal year thereafter, and reasonable interventions have not resulted in improvements.
 - (D) The excessive carry over rule shall not apply to any SAEC member whose allocation is less than one (1) percent (1.0%) of the consortium total allocation.
- (2) For any fiscal year for which the chancellor and the Superintendent allocate an amount of funds to the consortium less than the amount allocated in the prior fiscal year, the amount of funds to be distributed to a member of that consortium shall not be reduced by a percentage greater than the percentage by which the total amount of funds allocated to the consortium decreased, unless the consortium makes at least one of the following findings related to the member for which the distribution would be reduced further:
 - (A) The member no longer wishes to provide services consistent with the adult education plan.
 - (B) The member cannot provide services that address the needs identified in the adult education plan.
 - (C) The member has been ineffective in providing services that address the needs identified in the adult education plan, including having excessive carryover for at least two consecutive fiscal years beginning with the 2022–23 fiscal year, and each

fiscal year thereafter, and reasonable interventions have not resulted in improvements.

(c) A distribution schedule shall also include preliminary projections of the amount of funds that would be distributed to each member of the consortium in each of the subsequent two fiscal years. The preliminary projections shall not constitute a binding commitment of funds.

(d) (1) For purposes of this section, a finding made by a consortium shall require a majority vote of its membership.

(2) A consortium that makes a finding by majority vote pursuant to subparagraph (C) of paragraph (1) of subdivision (b) or subparagraph (C) of paragraph (2) of subdivision (b) based on a member having excessive carryover for at least two consecutive fiscal years may reduce the member's allocation by no more than the amount of the member's carryover.

(e) (1) A consortium with carryover from one or more prior fiscal years exceeding 20 percent shall be required to submit a written expenditure plan, including future corrective actions to reduce the consortium's carryover to below 20 percent, to the chancellor and the Superintendent.

(2) For each fiscal year that a consortium has carryover of more than 20 percent, the chancellor and the Superintendent shall prescribe and assign technical assistance to that consortium to ensure that adequate adult education services are provided to the region in proportion to the region's available funding.

(3) The chancellor and the Superintendent shall ensure that the consortium funding remains dedicated to that consortium's region.

13. Has the consortium A) designated a member to serve as the fund administrator to receive and distribute funds from the program or B) chosen to have a funds flow directly to the member districts based upon the approved distribution schedule?

The Sequoias Adult Education Consortium has designated the Visalia Unified School District to serve as the fiscal coordinator and the role and responsibilities of the SAEC fiscal coordinator are described in the SAEC Memorandum of Understanding. SAEC follows a direct funding fiscal model.

14. How will members join, leave, or be dismissed from the consortium?

The Consortium will adhere to the membership guidelines as defined by education code, the SAEC Report on Governance Compliance of Rules and Procedures and the SAEC Memorandum of Understanding.

Considerations for dismissal from the Consortium include:

- The member no longer wishes to provide services consistent with the adult education plan;
- The member cannot provide services that address the needs identified in the adult education plan; or
- The member has been ineffective in providing services that address the needs identified in the adult education plan, and reasonable interventions have not resulted in improvement.

In addition to the considerations specified in education code:

- Regular attendance is expected at monthly Consortium meetings. Each designated Member representative is expected to attend every SAEC Board meeting.

General SAEC Board Meeting Attendance:

A member may miss not more than five (5) meetings in a fiscal year. After a third (3rd) absence, the SAEC Executive Director shall notify the Member Designee, the AEBG Program Monitor, and the SAEC Board Co-Chairs shall prepare a written notice detailing the SAEC governance rule regarding attendance, a record of the designee's attendance, and corrective action. At a meeting of the fourth (4th) absence, the written notice shall be read into the official SAEC Board minutes as an information item and delivered via United States Postal Service to the Member Agency's Governing Board and the AEBG Program Monitor with a Domestic Return Receipt. At a meeting of the fifth (5th) absence, the SAEC Board shall take official action to dismiss the Member Agency from the Consortium for Member ineffectiveness and failure to attend. The terms and conditions described above shall pertain to general SAEC Board meeting attendance in a fiscal year regardless of absence sequence or absences in series.

Chronic or Consecutive Absenteeism:

In the event that a Member designee is absent from four (4) or more consecutive SAEC Board meetings, the Member Agency will forfeit their participation and membership in the Consortium by default.

Four (4) or more consecutive absences from SAEC Board meetings demonstrates that the Member Agency is not effective. Member effectiveness shall not be limited solely to SAEC Board meeting attendance. After the second (2nd) consecutive absence, the SAEC Executive Director shall notify the Member Designee, the AEBG Program Monitor, and the SAEC Board Co-Chairs shall prepare a written notice detailing the SAEC governance rule regarding attendance, a record of the designee's attendance, and corrective action. At the meeting of the third (3rd) consecutive absence, the written notice shall be read into the official SAEC Board minutes as an information item and delivered via United States Postal Service to the Member Agency's Governing Board and the AEBG Program Monitor with a Domestic Return Receipt. At the meeting of the fourth (4th) consecutive absence, the SAEC Board shall take official action to dismiss the Member Agency from the Consortium for Member ineffectiveness and failure to attend.

- Dismissal from or admission to the Consortium shall be accomplished with a simple majority vote from the Consortium.
- If the member initiates leaving the Consortium, SAEC will require the member's Governing Board approval.
- If the Consortium initiates dismissal, the Consortium will inform the member's Superintendent and Governing Board and follow due process.
- SAEC Members may be dismissed from SAEC for failure to demonstrate member effectiveness.
- If the Consortium dismisses a Member, the Consortium Executive Director shall notify the AEBG

Project Monitor immediately.

- A record of intervention steps and dismissal actions shall be kept in the official minutes of Consortium Board Meetings.
- Dismissal from the Consortium is final and shall remain in effect for the remainder of the applicable or current 3 year planning period.

15. Does the consortium have a formal document detailing its working beyond the questionnaire?
(Please provide a link)

At this time, the Consortium relies on MOUs that outline basic governance rules and have been voted on by each member's Board of Education.

_____ Action Items: Board Discussion/Action

BACKGROUND/SUMMARY:

The Sequoias Adult Education Consortium has been formed, in accordance with California Adult Education Program policies and applicable state laws, to develop a regional plan to improve the delivery of adult education in the legislated program areas and to address existing gaps in programs and services. 2025/28 will be the tenth year the consortium will receive funding. Each funding year requires the consortium to renew its MOU to reflect the agreed upon participation and principles for governance. The 2025/28 SAEC MOU will be in force from July 1, 2025 through June 30, 2028 and will supersede previous MOUs. Member LEA Boards will need to take action to approve the MOU after the SAEC Board has taken action to approve it. Once the Local LEA Board has approved the MOU, the Local LEA Board President and the LEA Superintendent (or lead administrative officer from the LEA to SAEC) must sign the MOU and return a signed copy to the SAEC Executive Director. **Today's item is for informational and discussion purposes only. The SAEC Board will have the opportunity to take action on the SAEC MOU 2025/28 at a future, regularly scheduled board meeting.**

AMENDED MEMORANDUM OF UNDERSTANDING 2024-27 2025-28
SEQUOIAS ADULT EDUCATION CONSORTIUM

This Memorandum of Understanding shall stand as evidence that the following districts intend to work together toward the mutual goal of collaborating to meet the goals of the Sequoias Adult Education Consortium (SAEC), hereafter referred to as the Consortium or SAEC, interchangeably, to improve the delivery of adult education in the Sequoias Adult Education Consortium Region. This agreement is entered into between the following School Districts, hereafter referred to as MEMBERS.

- Alpaugh Unified School District
 - College of the Sequoias
 - Corcoran Joint Unified School District
 - Cutler-Orosi Joint Unified School District
 - Exeter Unified School District
 - Farmersville Unified School District
 - Hanford Joint Union High School District
 - Lindsay Unified School District
 - Tulare Joint Union School District
 - Visalia Unified School District
 - Woodlake Unified School District
1. Visalia Unified School District shall serve as the Consortium Fiscal Coordinator of California Adult Education Program (CAEP) funds received by the Consortium and/or its members, hereafter referred to as FISCAL COORDINATOR.
 2. Term: The term of this MOU shall become effective as of July 1, 2024 2025 and shall expire June 30, 2027 2025 and shall apply to the 2024-2025 2025-2026 fiscal year allocations (California Adult Education Program Year 9-10).
 3. Cost of Services: The MEMBER shall be directly apportioned the sum declared in the SAEC Fiscal Administration Declaration as approved by the Sequoias Adult Education Consortium Board for the current program year and in accordance with Sections 84900-84920 of the California Education Code. Funds provided under this agreement shall be used in accordance with applicable laws and the provisions herein.
 4. Leveraging of Regional Resources: MEMBERS agree to disclose amounts received from other resources that may be used to address the California Adult Education Program and current or applicable Sequoias Adult Education Consortium Three Year Plan program areas and objectives. Furthermore, MEMBERS agree to leverage resources, in addition to any CAEP funds they may receive, to enhance the region's adult education delivery system and to do so in a coordinated effort with the Consortium. Additionally, there are several small districts that at one time offered Adult Education programs, but due to decreases in funding, were eliminated. This left geographic gaps in the offerings of Adult Education. To address this gap in service provision, MEMBER districts without adult schools (BENEFICIARY MEMBER) will contract with MEMBER districts that have adult schools (PROVIDER MEMBER) to provide courses at school sites such as elementary, middle, and high schools for the adults in the BENEFICIARY MEMBER's

community. This strategy leverages existing resources such as the administrative capacity of existing Adult Education programs and trained teachers from existing programs. Also, resources (e.g. classroom space, meeting space, computers, internet access, locally controlled funds, and support staff, other services such as after school programs that could provide childcare) that BENEFICIARY MEMBER districts without adult schools have to offer will be leveraged to support the provision of Adult Education. Furthermore, PROVIDER MEMBERS with adult schools agree to guarantee a portion of their AEBG allocation and related portion of their WIOA Title II: AEFLA grant funds (supplemental funding and to be determined in accordance with WIOA Title II: AEFLA funding award timelines) to service delivery on behalf of the BENEFICIARY MEMBER(S). To date, the following resources have been and will continue to be leveraged and will continue at the levels of effort as described below:

PROVIDER MEMBER Cutler-Orosi Joint Unified School District will provide adult education services to BENEFICIARY MEMBER Woodlake Unified School District. Cutler-Orosi Joint Unified School District, in good faith, guarantees the use of ~~\$62,978~~ \$64,508 in ~~2024-2025~~ 2025-2026 of their total CAEP allocation to provide adult education services in Woodlake.

PROVIDER MEMBER Corcoran Joint Unified School District will provide adult education services to BENEFICIARY MEMBER Alpaugh Unified School District. Corcoran Joint Unified School District, in good faith, guarantees the use of ~~\$18,783~~ \$19,239 in ~~2024-2025~~ 2025-2026 of their total CAEP allocation to provide adult education services in Alpaugh.

PROVIDER MEMBER Visalia Unified School District will provide adult education services to BENEFICIARY MEMBER Exeter Unified School District. Visalia Unified School District, in good faith, guarantees the use of ~~\$47,334~~ \$48,484 in ~~2024-2025~~ 2025-2026 of their total CAEP allocation to provide adult education services in Exeter.

Any portion of unspent funds held by a PROVIDER MEMBER for the provision of services to a BENEFICIARY MEMBER shall continue to be held until December of the following fiscal year for the benefit of the BENEFICIARY MEMBER. In the event that funds (effort) cannot be fully expended by December of the following fiscal year to the benefit of the BENEFICIARY MEMBER by a PROVIDER MEMBER, and after both MEMBERS have agreed upon a plan of action that will provide relief to the PROVIDER DISTRICT, with the guidance of the Consortium Director, and with full disclosure during a Consortium Board Meeting, the PROVIDER MEMBER may leverage those funds in another manner consistent to the goals of the CAEP, applicable laws, policies, and the SAEC plans.

Carry-Over:

In accordance with Sections 84901 and 84914, Sequoias Adult Education Consortium shall follow state law and policies in its treatment of carry-over from one fiscal year to the next as follows:

(a) As a condition of receipt of an apportionment from the program, a consortium shall approve a distribution schedule that includes both of the following:

- (1) The amount of funds to be distributed to each member of the consortium for that fiscal year.
 - (2) A narrative justifying how the planned allocations are consistent with the adult education plan.
- (b) (1) For any fiscal year for which the chancellor and the Superintendent allocate an amount of funds to the consortium greater than the amount allocated in the prior fiscal year, the amount of funds to be distributed to a member of that consortium shall be equal to or greater than the amount distributed in the prior fiscal year, unless the consortium makes at least one of the following findings related to the member for which the distribution would be reduced:
 - (A) The member no longer wishes to provide services consistent with the adult education plan.
 - (B) The member cannot provide services that address the needs identified in the adult education plan.
 - (C) The member has been consistently ineffective in providing services that address the needs identified in the adult education plan, including having excessive carryover for at least two consecutive fiscal years beginning with the 2022–23 fiscal year, and each fiscal year thereafter, and reasonable interventions have not resulted in improvements.
- (2) For any fiscal year for which the chancellor and the Superintendent allocate an amount of funds to the consortium less than the amount allocated in the prior fiscal year, the amount of funds to be distributed to a member of that consortium shall not be reduced by a percentage greater than the percentage by which the total amount of funds allocated to the consortium decreased, unless the consortium makes at least one of the following findings related to the member for which the distribution would be reduced further:
 - (A) The member no longer wishes to provide services consistent with the adult education plan.
 - (B) The member cannot provide services that address the needs identified in the adult education plan.
 - (C) The member has been ineffective in providing services that address the needs identified in the adult education plan, including having excessive carryover for at least two consecutive fiscal years beginning with the 2022–23 fiscal year, and each fiscal year thereafter, and reasonable interventions have not resulted in improvements.
- (c) A distribution schedule shall also include preliminary projections of the amount of funds that would be distributed to each member of the consortium in each of the subsequent two fiscal years. The preliminary projections shall not constitute a binding commitment of funds.
- (d) (1) For purposes of this section, a finding made by a consortium shall require a majority vote of its membership.
 - (2) A consortium that makes a finding by majority vote pursuant to subparagraph (C) of paragraph (1) of subdivision (b) or subparagraph (C) of paragraph (2) of subdivision (b) based on a member having excessive (more than 20%) carryover for at least two consecutive fiscal years may reduce the member's allocation by no more than the amount of the member's carryover. (C) The member has been consistently ineffective in providing services that address the needs identified in the adult education plan, including having excessive (more than 20%) carryover for at least two consecutive fiscal years beginning with the 2022–23 fiscal year, and each fiscal year thereafter, and reasonable interventions have not resulted in improvements.

(D) The excessive carry over rule shall not apply to any SAEC member whose allocation is less than one (1) percent (1.0%) of the consortium total allocation.

(e) (1) A consortium with carryover from one or more prior fiscal years exceeding 20 percent shall be required to submit a written expenditure plan, including future corrective actions to reduce the consortium's carryover to below 20 percent, to the chancellor and the Superintendent.

(2) For each fiscal year that a consortium has carryover of more than 20 percent, the chancellor and the Superintendent shall prescribe and assign technical assistance to that consortium to ensure that adequate adult education services are provided to the region in proportion to the region's available funding.

(3) The chancellor and the Superintendent shall ensure that the consortium funding remains dedicated to that consortium's region.

5. Eligible Member: A MEMBER is a member in good standing, as defined by California Education Code Sections 84900-84920 and the SAEC Governance Document, of the Consortium and agrees to maintain its membership and participation in the Consortium. Failure to maintain its membership in the consortium and demonstrate effectiveness will result in a loss of funding and membership status. In signing this Memorandum of Understanding, the Member understands that member status in the Consortium and funding may be terminated for failure to demonstrate effectiveness as described herein, in Education Code Section 84900-84920, and in the SAEC Governance Document. This MOU shall serve as first notice.
6. General: The Sequoias Adult Education Consortium has been formed, in accordance with Sections 84900-84920 of the California Education Code to develop a regional plan to improve the delivery of adult education and address existing gaps in programs and services. Funds apportioned shall be used only for supporting the following adult education programs designed for adult education students in the following areas:
 - A. Programs in elementary and secondary basic skills, including programs leading to a high school diploma or high school equivalency certificate.
 - B. Programs for immigrants eligible for educational services in citizenship, English as a second language, and workforce preparation.
 - C. Programs for adults, including, but not limited to, older adults, that are primarily related to entry or reentry into the workforce.
 - D. Programs for adults, including, but not limited to, older adults, that are primarily designed to develop knowledge and skills to assist elementary and secondary school children to succeed academically in school.
 - E. Programs for adults with disabilities.
 - F. Programs in career technical education that are short term in nature and have high employment potential.
 - G. Programs offering preapprenticeship training activities conducted in coordination with one or more apprenticeship programs approved by the Division of Apprenticeship Standards for the occupation and geographic area.
7. Mutuality, Shared Leadership, and Collaboration: The Consortium's governance and decision-making processes are based on recognition of and respect for the interrelationships of the districts and their constituent groups. The commitment to this principle is demonstrated in the following ways:

- Members of the Consortium publicly acknowledge the importance of participatory governance and the rewards to all for collaborative participation.
 - Members will vote to select co-chairs annually for the Consortium Board to ensure shared leadership between the Community College system and the K-12 Education system.
 - Members agree to participate and provide input throughout the implementation process to ensure shared leadership.
8. Member Role and Participation: This principle supports the use of democratic processes to ensure that the voices of all MEMBERS are included. Any MEMBER of the consortium can bring items and issues to the consortium as a whole. In order for this principle to be fully implemented, all members of the consortium are asked to fulfill the following responsibilities of Consortium membership:
- Each MEMBER Board of Education will designate a voting representative to the Consortium Board and ensure attendance at and participation at regular Consortium meetings. Each MEMBER district with fewer than 5,000 students will be allowed one vote. Each MEMBER district with more than 5,000 students will be allowed 2 votes. A simple majority of MEMBERS present constitutes a quorum. All issues to be voted on shall be decided by a simple majority of those present at the meeting in which the vote takes place.
 - Only the designated representative officially appointed by Member District Governing Board through action may represent the interests of that Member District. Proxy voting and alternate designees are not permissible. Member District designated representatives must be present to cast a vote in SAEC decisions. Member District designated representatives must act in accordance with the Brown Act and all applicable laws with regards to SAEC business and decisions.
 - MEMBERS will vote on items concerning fiscal and implementation decisions.
 - Each MEMBER will provide data and information relevant to adult education as needed for the implementation, assessment, and revision of a regional plan and annual plans.
 - Each MEMBER will agree to participate as necessary in the implementation process including participation as needed in sub-groups and or committees.
 - MEMBERS agree that in the interest of the Consortium and key stakeholders they will function as a team member with other MEMBERS of the group, follow through on tasks, report meeting outcomes back to key stakeholders within their organizations, work toward common understanding and consensus in an atmosphere of respect, support the implementation of recommendations once group consensus is reached, and welcome change and innovation.
9. Community Partnerships: Partner organizations identified by the Consortium through an application process will be invited to participate in Consortium meetings and activities. They are recognized as valuable stakeholders and partners in the implementation of educational services for Adults. Partnership does not convey monetary, in-kind contribution, legal, or liability obligations between the Sequoias Adult Education Consortium, its Board, its members, or other Partners and nothing in the Partnership Agreement shall be construed to indicate such. Specifically, the Partnership relationship or a Partnership agreement does not express, imply, convey, inure, or otherwise establish an exclusive partnership agreement between SAEC, its members, partners, and/or any organization, entity, or agency. The SAEC

Partners agree to indemnify, defend, and hold harmless the Sequoias Adult Education Consortium, its Board, and its members in any action arising against the Partner. Additional committees may be added as needed. These committees are comprised of and open to educators, industry experts, partner representatives, and other representatives from all stakeholders with an interest in promoting adult education efforts in the region.

(California Fair Employment and Housing Act). This indemnification obligation shall continue beyond the term of this Agreement as to any acts of omissions occurring under this Agreement or any extension of this Agreement.

SUBJECT: CAEP 2025-26 Preliminary Allocations

This memorandum advises local recipients and fiscal agents of the Fiscal Year (FY) 2025-26 CAEP preliminary allocations. CAEP Education Code Section 84909 mandates the release of the annual preliminary consortium allocations once the proposed state budget for the upcoming fiscal year is released.

The Governor's proposed budget for 2025-26, includes a \$15.871M cost-of-living adjustment (COLA) increase for CAEP. The COLA re-benchs the total annual statewide CAEP appropriation to \$669,008,000. To view the FY 2025-26 CAEP Preliminary Allocations schedule, [click here](#). The CAEP State Leadership and the Technical Assistance Provider (TAP) will offer a webinar on **Wednesday, March 5, 2025, from 12:00 p.m. to 1:00 p.m.**, to review the proposed FY 25-26 budget and preliminary allocations for CAEP. The session will also provide a detailed overview of the Consortium Fiscal Administration Declaration (CFAD) process and how to complete in NOVA. You may register for this webinar through this [link](#).

Completing the CFAD

CAEP consortia and their members are required to submit their CFAD via the Chancellor's Office [NOVA](#) system no later than **5:00 PM on Friday May 2, 2025**. The CFAD captures member allocations for each consortium as well as the consortium's chosen disbursement method. The CAEP State Office uses the information from the CFAD process to determine the payment schedules for the disbursement of CAEP funding. There will be no extensions granted for the May 2nd due date. Failure to submit the CFAD by the deadline will result in the State defaulting to the prior year's final allocation distribution.

Please note under Education Code Section 84914, which governs an increase or decrease of CAEP funding from the prior year, that all CAEP members are eligible for the COLA. Consortia cannot vote to exclude or prevent a member from receiving a COLA, provided that the member received funding in the prior year. However, after the CFAD is submitted, consortia may use the allocation amendment process in NOVA to transfer CAEP funding in alignment with consortium approved by-laws.

Consortia will also be requested to identify in the CFAD how it intends to address AB 1491 carryover compliance to ensure excessive carryover is carefully managed as outlined by statute. For additional information, you may access the [AB 1491 CAEP policy guidance](#).

RESOLUTION 2025 In Support of Adult Education

WHEREAS, The first recorded adult education class in California was held in the basement of St. Mary's Cathedral in San Francisco in 1856. The class was authorized by the San Francisco Board of Education to teach English to Irish, Italian, and Chinese immigrants. John Swett, who was the first volunteer teacher for the class, later became a State Superintendent of Public Instruction; and

WHEREAS, Adult Schools have been utilized on numerous occasions to assist the state as it dealt with significant social, political, and economic issues through job training programs during World War II, immigration reform of the 1980s, the Great Recession; and, most recently the COVID pandemic; and

WHEREAS, Adult education in California overcame its biggest challenge as a result of the severe economic crisis facing both the state and the nation in 2008-2009.
