REINVENTING ADULT EDUCATION

The Sequoias Adult Education Consortium (SAEC) was established in the spring of 2014, bringing together adult education providers to better serve the educational needs of adults in our region. The consortium covers parts of Tulare and Kings Counties. Its membership is made up of the College of the Sequoias and the ten school districts within the geographic boundaries of the college district. The SAEC also includes partner organizations representing local community agencies and community based organizations, such as Able Industries, CSET, Proteus, Tulare County Library, and the Workforce Investment Board of Tulare County.

SAEC Navigators are available to work with adults who want to:

- 1) Enroll in *English as a Second Language* and/or *Citizenship* classes (tuition free)
- 2) Enroll in low-cost, short-term certificate programs with high employment potential
- 3) Earn a high school diploma or high school equivalency certificate (tuition free)
- 4) Earn a college degree
- 5) Learn about available career training programs
- 6) Connect to supportive services

Call a Navigator to learn more.
